This court has scheduled a motions hearing for Friday, December 14, 2012, to hear argument on a variety of discovery motions. It has been this court's experience that discovery disputes such as this are sometimes resolved, at least in part, at or shortly before the announced hearing date.

This order is being entered to require that the parties timely advise the court of any and all issues that are resolved before the date of the hearing so that this court can focus its attention upon those matters which will be in dispute at the hearing. Any such notification should be filed with the court no later than Wednesday, December 12, 2012.

IT IS SO ORDERED.
